

Transfr, the Platform of Workforce Innovation Empowering Career Success

1

Career Exploration

HempsteadWorks is excited to be partnering with Transfr to help build better futures for our participants and the communities that they call home. Transfr experiences give every user the opportunity to discover their own pathway to prosperity. Users will have access to career exploration and training opportunities developed in partnership with industry experts, exposing them to rewarding jobs in rapidly growing industries outside of the tradition college track.

2

Immersive Training Programs

Transfr helps organizations crease the classroom-to-careers pipeline of the future, today. We're partnering with Transfr to train the next generation of workers for well-paying, high-demand jobs across every industry via immersive hands-on training programs that develop critical skills for employment.
