I. Introduction

This solicitation of proposals is being conducted by the Town of Hempstead Department of Occupational Resources (DOOR) on behalf of the Town of Hempstead Local Workforce Development Board (LWDB) in its capacity as the Grant Subrecipient/Fiscal Agent for the Town of Hempstead/City of Long Beach Local Workforce Development Area in preparation for the implementation of the Workforce Innovation and Opportunity Act (WIOA) of 2014. DOOR is requesting proposals from qualified organizations to provide **Incumbent Worker Training**.

The period of performance will be for two years upon commencement of the contract, after which options for renewal will be at the discretion of the Town of Hempstead/City of Long Beach Local Workforce Development Board (LWDB). The contract period may be extended or reduced at the option of the LWDB. Services funded under the Workforce Innovation and Opportunity Act of 2014 (WIOA) (Public Law 113-128) will be governed by WIOA. Applicants are also encouraged to propose augmenting non-WIOA services, which are to be funded through cash and in-kind contributions.

Costs incurred in the delivery of all services pursuant to this RFP will be allocated in accordance with the United States Code of Federal Regulations.

DOOR will accept completed proposals on an ongoing basis until 4:30 P.M. on Thursday, June 30, 2022.

II. Background

In accordance with WIOA, the WDB implements the **HempsteadWorks Workforce Development System**. The mission of the system is to:

- ◆ Ensure that skilled workers are available to employers;
- ◆ Help jobseekers find work;
- ◆ Foster economic development.

HempsteadWorks is designed to provide customers with workforce development services through a "One-Stop" delivery system. The One-Stop Partners of the system integrate their resources electronically and also through co-location of staff within career centers and affiliate sites. The official Web site of the system is:

IV. Scope of Work (Approach, Design, Innovation and Coordination)

Under this RFP, the selected vendor(s) will provide incumbent worker training to its employees under the supervision of the Town of Hempstead Department of Occupational Resources. The purpose of providing incumbent worker training is to:

- Meet the special requirements of employers to retain a skilled workforce
- Avert the need to lay off employees by assisting them to obtain the skills necessary to retain employment
- Enable trained workers to move into higher skilled and higher paying jobs within the company
- Allow employer to hire job seekers to backfill the incumbent worker's positions

Note: No proposals will be funded unless employer commits to retaining or averting the layoffs of the incumbent workers trained and/or backfilling the incumbent worker's position after he or she has moved into a higher skilled and higher paid job within the company.

V. Definitions

As defined under the Workforce Innovation and Opportunity Act:

INCUMBENT WORKER TRAINING —The term “incumbent worker training” means training—

(A) Designed to meet the specific requirements of an employer (including a group of employers); to retain a skilled workforce or avert the need to lay off employees by assisting the workers in obtaining the skills necessary to retain employment

(B) Conducted with a commitment by the employer to retain or avert the layoffs of the incumbent worker(s) trained

VI. Employer Eligibility

Eligible employers able to participate in incumbent worker training include for-profit businesses, non-profit organizations, or public sector employers. Further eligibility will be based on the following factors:

1. Employer can commit to retain or avert the layoffs of the incumbent worker trained
2. The characteristics of the participants in the program¹
3. The relationship of the training to the competitiveness of a participant and the employer
4. Such factors as the local board may determine to be appropriate, which may include the number of employees participating in the training, the wage and benefit levels of those employees (at present and anticipated upon completion of the training), and the existence of other training and advancement opportunities provided by the employer

Payment to vendors under contracts executed pursuant to this solicitation will be limited to the cost of training incumbent workers. No incumbent worker training will be funded for any business or part of a business that has relocated, until the date that is 120 days after the date on which such business commences operations at the new location, if the relocation of such business or part of a business results in a loss of employment for any employee of such business at the original location and such original location is within the United States.

VII. Participant Eligibility

Eligible participants are those who:

1. Are employed at the company for at least 6 months
2. Have enrolled in the HempsteadWorks WIOA Adult, Dislocated or Youth program
3. Received an assessment that has determined that additional training is needed to avert a layoff or be retained with the employer

VIII. Incumbent Worker Training Requirement

Under WIOA, the incumbent worker training is needed for an employer to retain a skilled workforce or avert the need to lay off employees by assisting them to obtain skills necessary to retain employment.

¹Preference will be given to employers who propose to train incumbent workers who are veterans, low-income individuals, public assistance recipients, individuals who are basic skills deficient, and individuals with disabilities.

IX. Employer Reimbursement

Employers are required to pay for the non-Federal share of the cost of providing incumbent worker training based upon the size of their organization:

- 10% of the cost for employers with not more than 50 employees
- 25% of the cost for employers with more than 50 employees but not more than 100 employees
- 50% of the cost for employers with more than 100 employees

The non-Federal share provided by the employer participating in the program may include the amount of the wages paid by the employer to a worker while the worker is attending an incumbent worker training program. The employer may provide the share in cash or in kind, fairly evaluated by DOOR on behalf of the LWDB.

X. Selection Process

The LWDB will review proposals and funding will be made available to applicants whose proposals represent the best overall value to the Local Workforce Development Area (LWDA). The Board may award a contract for any and all parts of the proposal and may negotiate contract terms and conditions to meet program requirements consistent with this RFP. Applicants will be rated on a 100-point rating system, as indicated below:

Applicant Background, Qualifications and Experience	20 Points
